TODAY'S GOSPEL TELLS US . . .
Gospel: Mark 9:38-43, 45, 47-48

What does it mean to be a follower of Christ? It means doing good works “in [his] name.” It means receiving all others who do good “in [his] name.” It means cutting off from ourselves any behaviors that keep us or others from living “in [his] name.” It means, then, taking on both Jesus' single-minded focus (his willingness to pay any price for the sake of the kingdom) and his open-minded acceptance of all the good works and all the good people who are bringing this kingdom about.

St. Anthony Parish Prayer for the Week

Jesus, help us to care for human dignity, humane work as people of God. With your grace, may we become an example of God's love, **Amen**

— Anne Osdieck

For those on our Prayer List: Father of goodness and love, hear our prayers for the sick members of our community and for all who are in need. May these special people find lasting health and deliverance. We ask this through the Lord Jesus who healed those who believed. *Amen.*

WORD OF LIFE “The dying process is a sacred time—a final season to seek closure in this life and prepare for the next in the hope of sharing in Christ’s Resurrection. As you enter into this season with your friend or family member, ask God to accompany both of you.”

Campaign Corner
 The Capital Campaign offers us as members of the St. Anthony Catholic Church to give back and leave a legacy of love to the Church which has provided us with a loving, spiritual environment.
*When I enter St. Anthony's, the stress and tension from the week immediately dissipate and leave me feeling comfortable, peaceful, restored and loved. The lessons I learn at St. Anthony's help me learn more about our faith, grow in my relationship with Jesus and teach me how I can be of service to others.
 I want future generations to experience the same comfort, peace, restoration and love I feel when I enter my church. Restoring and improving St. Anthony's is one way to ensure future generations can do just that.*
 — Alicia R. McCord-Estes
