### **ACT OF SPIRITUAL COMMUNION**

My Jesus,  
I believe that You  
are present in the Most Holy Sacrament.  
I love You above all things,  
and I desire to receive You into my soul.  
Since I cannot at this moment  
receive You sacramentally,  
come at least spiritually into my heart.  
I embrace You as if You were already there  
and unite myself wholly to You.  
Never permit me to be separated from You.  
Amen.

### ***Live the Liturgy***

Think for a moment about the most special person in your life. Why do you love them? Many people will answer that question noting character traits they admire about the person, pointing to an indescribable compatibility that exists and describing a deep sense of connection and intimacy or even a sense of rightness about the relationship. In relationships that are authentic and true, rarely are the personal benefits gained from the relationship noted as motivating factors for its pursuit. If we truly love someone we do so simply because it is right and good to do so and not for some other self-serving reason. Why do you love God? The sense of happiness and the gift of mercy that come from that relationship are God's to give, regardless of when in life we come to Him. God's ways are different than ours.
