Parish Mission. Guided & inspired by the Holy Spirit, we seek to be a beacon of hope in the wider community by sharing our unique cultural & spiritual experiences & spreading the Good News of Jesus Christ to all. As a Church Family, we strive to collectively & individually share the responsibility of continuing the mission of Jesus Christ to heal, reconcile, & serve.

Remember in Prayer

Father of goodness & love, hear our prayers for the sick, housebound, & departed members of our community & for all who are in need. May the fullness of your will be done in their lives. We ask this through Our Lord. AMEN.

Breast Cancer Awareness Month

The campaign's goal has been to educate people about breast cancer & early detection tests so they could take control of their health. For many, mammograms are the best way to find breast cancer early, when it is easier to treat & before it is big enough to feel or cause symptoms. Having regular mammograms can lower the risk of dying from breast cancer. At this time, mammograms remain the best way to find breast cancer.

[cdc.gov/cancer/breast/basic_info/screening.htm](https://www.cdc.gov/cancer/breast/basic_info/screening.htm)

Decades of documentation indicate a disparity of breast cancer between African American women and white women. They are diagnosed younger at more advanced stages & are disproportionately effected by more aggressive types with higher mortality rates. Visit BCRF for info: bit.ly/3CVW3Fh
